

**I WILL HELP
TO REDUCE EMMANUEL'S DEFICIT
FOR 2010**

In consideration of the needs of the parish in the coming year and as a commitment to Emmanuel's future I will give _____ as a gift beyond my 2010 pledge in the following way:

- \$ _____ per week for a yearly total of \$ _____.
- \$ _____ per month for a yearly total of \$ _____.
- \$ _____ per year as a one time gift.
- \$ Other _____.

Signed _____

As previously stated, there are 100 household units that regularly attend Emmanuel Church. If each household could find a way to give a gift above their pledge, we could clear the deficit and begin a new rectorship without an operating deficit. If we do not commit to increasing our operating income and continue to rely on our investments, we will deplete our resources in less than 5 years. Some of us can give considerably more than others. Some of us have made a pledge that is already proportionally sacrificial. Understanding the urgency in this call for your help, we ask you to be as generous as you can with a financial gift to Emmanuel's future, and to commit yourselves to participation in the life of the parish and to inviting others to join us. We have to think about how important Emmanuel is to us and to our community. We have come so far this year in establishing sound policies for our school and for the management of our financial affairs, we should be pleased to support this progress.

The facts:

Operating deficit= \$39,000

Search Expenses= \$25,000
